Approximately fourteen miles south of Dixon you will see a flashing light and the road will take a sharp turn to the left. One mile later there is another flashing light and you will see a sign directing you to Hastings Island by exiting onto Hastings (Island) Road. Approximately ½ mile after leaving Hwy 113, Hastings Road ascends onto a levee (at the intersection with Salem Road). At this point you will see “no trespassing” signs. Ignore them, but please obey the speed limit signs. The club is about 3 miles further.

Continue past the flashing light approximately 2 to 3 miles and turn left onto Summerset Drive. Immediately, take the first left hand turn onto Liberty Island Road. Follow Liberty Island Road as it curves around the side of the Somerset development until you come to a stop sign at Airport Road. Follow Liberty Island Road five more miles and you will ascend to the top of a levee. The bridge onto Hastings Island will be on your left. Ignore the “no trespassing” signs, but please obey the speed limits. After crossing the bridge, take the road down the center of the island. The club is 4 miles further.

From Rio Vista: Travel West on Hwy 12 toward Fairfield. Approximately one mile past the town of Rio Vista, turn right onto Church Road. Go to the end of Church Road and turn left onto Airport Road. One mile later take a right at the intersection of Airport Road and onto Liberty Island Road. Follow Liberty Island Road five more miles and you will ascend to the top of a levee. The bridge onto Hastings Island will be on your left. Ignore the “no trespassing” signs, but please obey the speed limits. After crossing the bridge, take the road down the center of the island.
